

# Quality Policy

## Quality Statement of FOERSTER

The quality and performance of our products and services form the essential basis between us and our customers. Our products and services are designed to meet the needs of our customers, and we give top priority to the quality of our products and services. As part of the performance assessment of our employees, the quality of the work has particular weight. Every employee contributes to the realization of our quality goals.

Responsibility must be borne by all levels and in all functional areas, with each individual employee being responsible for the quality of his actions and achievements. Deficiencies and unnecessary costs must be reduced. Mistakes are to be dealt with openly and learnt from them. Counter measures must be derived consistently.

OUR COMMITMENT TO QUALITY		FOERSTER proof.	
<b>WE ARE...</b>			
 CUSTOMERS	<b>...cooperative inspirer</b> Our motto is: We wow our customers with our work. In very close cooperation for perfect solutions.		
 SUPPLIERS	<b>...long-term partner</b> In our commitment to excellence together with our suppliers. That is our credo.	<b>...measure of all things for our suppliers</b> Our in-house quality standards are the measuring stick for our suppliers. We double check that. We see to it.	
 EMPLOYEES	<b>...motivator for self-responsibility</b> Each employee feels responsible for their work and reflects it. For that we motivate them. For that we train them.		
 PRODUCTS	<b>...progressive driver of innovation</b> Through our products and their technological leadership. Designed for difficult environments and with an incredibly long service life.	<b>...external production process improver</b> Through powerful aftersales services for permanent availability of our products. Our responsibility does not end with the shipment.	<b>...our own worst critic</b> This is why we are continuously working on the improvement of our products, services and competitiveness.
	<b>WE ARE</b> reliable = safe = foerstered = proof.
